## Quotes from Mary Anne Kennedy's Customers...

*"I want to commend you on the terrific job done on the sale of our home. Your professionalism, follow-through and trustworthiness were tremendous assets throughout this entire project. I will not hesitate to recommend you to anyone looking to buy or sell a home. I know you didn't ask for this letter, but I felt so strongly as to be compelled to write it. It's rare these days to find someone who goes 'above and beyond' as you have. As a CEO, I come in contact with literally hundreds of different professions every year, and few stand head and shoulders above the crowd as you do."*

Michael R. Pfaff, President RPM Systems, Troy

*"I chose MaryAnne to be my realtor because by far she was the most professional realtor I had come across in the year+ that I had been looking for a new home. She was armed with information I had never even heard of and was extremely patient and respectful. I would highly recommend her if you are looking for someone who really knows this business and will work with you every step of the way through the buying or selling process."*

Tonya White, CEO/Chief Relationship Officer Talent Advantage Group

*"I highly recommend Mary Ann. I never experience such high-end service. Her professionalism, timeliness and really looking out for us as the sellers. Negotiating the contract in ways I did not even think of. I felt I could put my full trust in her and I did. We sold our house in one day! The closing was flawless! All paperwork in line, nothing forgotten. Reminder calls let's face it when your selling and packing you are busy. You want a realtor that has your back!!!! She really does !!"*

*"Me and my fiancé bought our first house with the help of MaryAnne. Her knowledge and expertise were critical in our search for our first home. She knew everything there was about location, neighborhoods, pricing, and so many housing details we never would have thought of. This was right as the housing market opened up after the Covid pandemic, so it was a whirlwind in the housing market as most houses got bought up very fast. MaryAnne made the process easy and she never had an issue with a call or quick text message. She was always there for us and we thank her for it. Cannot recommend her enough!"*

*"My wife and I had the pleasure of working with MaryAnne when purchasing our first home together between August of 2018 and June of 2019. MaryAnne's attention to detail and ability to spot the perfect prospective homes made the whole experience a delight. Maryann was extremely flexible with her schedule and always had time to show us houses at the drop of a hat. This was very important due to how fast the houses in our price range (The sweet Spot) would be taken. We recommend MaryAnne for both new and experienced homeowners. She truly does not miss a beat."*

*She spent a lot of time helping us find our home. I thought she was very thorough, and my wife thought she paid attention to her thoughts, needs and wants in a home. The whole process was a pleasurable experience for both of us. Mary Anne went out of her way to help us make decisions about renting our other home. Recently she helped my parents sell their home and they were impressed with her professionalism. I highly recommend her to anyone looking for a Realtor."*

*"Mary Anne is the best realtor we used. She only showed us houses we liked, worked with us and made us feel like we were her only clients at that time. She works hard to find exactly what you want, no matter how long it takes! She works hard when problems arise and gets things done! She will definitely fight for what is right. We would highly recommend her to anyone!" Amy and Brian Milkowski*

*"Not only is Mary Anne the most knowledgeable and experienced real estate agent I have ever met, but she is a genuine person who honestly cares about your needs. I dealt with other real estate agents who I felt would do whatever it took to get a sale but Mary Anne took the time to understand me, find out exactly what I wanted and needed, then helped me understand what would be the best fit for me. She has a lot of great connections, so she was able to cut through the red tape and really get things done right. I recommend Mary Anne completely. I can honestly say that she has spoiled me and that I will never want to use anyone else in the future!"*

Nicole Knuff
